#### IMPORTANT INFORMATION ABOUT ACI EXAMS

- This is a difficult exam to pass. Prior study and practice of the performance tests are highly recommended. Study manual is included in the registration fee, but no materials will be sent until payment is received in the TCA office. If ordered, the optional CD's will be shipped with the study manual.
- Students need to be registered 2 weeks prior to the exam date. This provides the minimum time necessary for study materials to be shipped to the student in time for study prior to the exam, and allows us to arrange for adequate class space and test proctors. Walk-ins to the test site will not be allowed (even for retakes) - all students must register and pay in advance.
- Substitutions allowed w/prior permission from TCA office. If student is unable to attend no refund will be given if TCA has not been contacted prior to exam day. Upon prior notification of a cancellation student will be placed in the next available class, or a refund will be issued. If a student does not attend the second exam session, a refund (less \$125) will be issued and the student will have to re-register for a future exam session.
- A minimum of 15 Full Exams are necessary for an exam to be held. If any class has less than the minimum, it will be cancelled and students will be notified of the next available exam dates. Books may not be returned for credit.
